Click on the link to approve the order - you will be taken to www.monk.ca

- If you are already logged in when you click on the link, it will redirect you to the **Approval Page** (see below for redirect page) – **wait for this to complete**. Orders requiring approval appear on this page.
- If you are not logged in, your browser will take you to the **Log In** page first. Log in using your username and password. Your web browser will then take you to the **Approval** page.

Approval Page

Every order requiring approval has three options: Edit Order, Reject Order, and Complete Order.

- Edit Order allows you to delete items and/or change the quantity purchased. See Page 3-4.
- **Reject Order** *permanently* deletes the order. No items are purchased and the order *cannot* be recovered.
- Click **Complete Order** to approve the order. Your web browser will arrive at the **Order confirmation** page:
