Office proof your business

Why **Monk?**

BUSINESS MACHINES

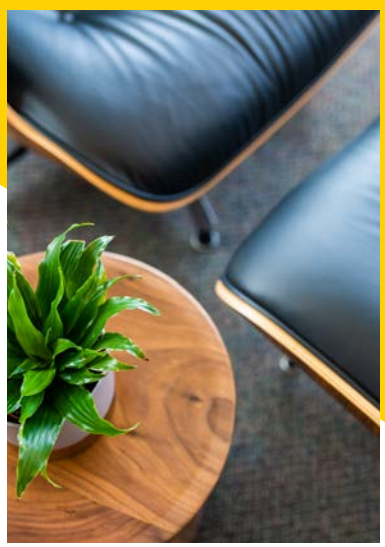

Buying the latest technology for your business isn't enough–you need the support to back it up. Whether you're looking to buy a new plotter, upgrade an old printer, or repair your go-to copier, our machines and service team with transform your business. Better yet? We'll keep your machine running as well as the day it was delivered with Service Technicians island wide.

FURNITURE & INTERIORS

Whether you're in the marketing for a single Herman Miller chair or you're outfitting a four-storey office, we can help with design, construct, install and furnish. Quality ergonomic solutions for every budget, no DIY required.

OFFICE SUPPLIES

No matter your company size, we know you've got big business: offices, employees and staplers galore. Lucky for you, we live and breathe office products so you don't have to. Since we opened the doors to our first store over seventy years ago, our people are passionate about helping you succeed. That is why we stock the best products and brand names, so you can get back to business and leave the rest to us.

Celebrating 70 years

as Your Office Outfitters™

From our Customer Experience Team and Commercial Specialists to the Team Members at our nine retail locations Island-wide, we've taken pride in exceeding expectations since 1951.

Delivering to over 5000 businesses, our packages are packed with care and shipped from our Distribution Centre in Victoria. No matter the business size, our free commercial accounts mean access to specialists, free shipping, and discounts on what you buy most. Let us make a difference in your workday.

DON'T UNDERESTIMATE THE POWER OF A GREAT OFFICE COFFEE

Coffee—caffeinated goodness that can make or break an employee's day. And, great coffee is a valuable office perk that shows you care about your staff's well-being.

That's why we're proud to offer revolutionary brewing technologies along with an incredibly wide variety of K-Cup® blends and brands to please discerning palates.

Furthermore, now that all our pods in Canada are recyclable, we've also introduced K-Cycle™, a simple, commercial program aimed at helping companies consolidate pods for easy recycling.

At Keurig®, we create the ultimate beverage experience in every life we touch from source to cup.

How to Prevent Cross-Contamination

Colour coding allows you to designate one towel type for each area of your business, avoiding the potential hazard of cleaning different types of surfaces (restroom vs. dining room) with the same towel.

Colour-coded towels improve efficiency, lower costs, and help ensure the cleanest possible environment.

Tank Full of Savings – not your standard laser printer

HP Neverstop isn't just a laser printer, but an investment in your bottom line:

* Pay less than a penny a page on everything you print
* Includes up to 5000 pages right out of the box
* Prints up to 7X more pages before your first reload is needed
* Save time and mess with a reloadable tank instead of cartridges

POWER YOUR PROFITABILITY

TURN BATTERIES FROM A COST CENTRE INTO A COST SAVER

By conducting intensive device testing and analysis in our labs, Procell has discovered that a way to dramatically extend alkaline battery life and cut replacement costs is to engineer device-specific industrial alkaline batteries, each with unique power profiles.

THE WORLD'S FIRST DUAL PORTFOLIO OF PROFESSIONAL BATTERIES

PROCELL INTENSE POWER

- **Specifically engineered to deliver precise pulses of energy while lasting longer in high-drain professional devices***

PROCELL GENERAL PURPOSE

- **Completely redesigned for longer lasting*, consistent performance**

By selecting the right battery to match the power needs of your commercial device, you can make all your batteries last longer*, so you replace them less often.

GBC AutoFeed+ SHREDDERS

Don’t spend time standing by the shredder.

AutoFeed+ lets you place stacks of paper into the feeder tray, close the lid, and walk away. Your papers will shred automatically while you focus on other tasks. Models range from 60 to 750 sheets.

Save Time

Spend less time shredding and more time on other tasks. GBC AutoFeed+ Shredders take the manual work out of shredding to make your day easier.

Secure

Keep your sensitive or personal information confidential. AutoFeed+ models offer either super cross-cut (P4) or micro-cut (P-5) Level Security.

Uninterrupted Shredding

With long automatic run times, larger waste bins, and built-in cooling fans, AutoFeed+ lets you shred longer without stopping.

Modern Style Packaging with Exceptional Protection

Ultimate strength to protect the contents during shipping. This is a great alternative to a corrugated box. The heavy-duty gum allows for a secure closure that will not open during shipment. Plus, the convenient tear string opening makes for a positive product opening experience for the consumer. The material is recyclable making this the right choice for the environment.

This slick modern design provides protection for contents that require 2-inch capacity.

Heavy Duty Protective Mailers

Extremely durable packaging solution and a great alternative to bubble mailers and poly bags. The product has peel and seal closure with a convenient tear-string opening for easy access to the package contents. This mailer has a rigid construction that aids in protection.

This environmentally friendly product works great when the product contents require up to 2-inch capacity.

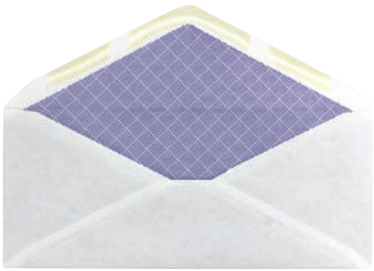

Edge Damage Protective Flat Board Mailers

Features peel & seal closure with the tear string opening. This rigid product line is excellent for documents that require edge damage protection.

GLITTER SLIME RECIPE

Supplies Needed:

- 177 ml Elmer's Glitter Glue
- 1/2 tbsp of baking soda
- 1¼ tbsp of contact lens solution

*Adult supervision is required; This project is not appropriate for children under the age of 3 years. Always wash your hands before and after making and playing with slime. Warning: If large quantities of contact lens solution are accidentally ingested (greater than a tablespoon), get medical attention immediately.

Instructions:

1. Pour 177 ml of Elmer's Glitter Glue into a bowl.
2. Add 1/2 tbsp of baking soda and mix.
3. Add 1 ¼ tbsp of contact lens solution.
4. Mix until mixture gets harder to mix and slime begins to form.
5. Take the slime out and knead.
6. If needed, add ¼ tbsp of contact lens solution to make the slime less sticky.

Office Chair
Buying Guide

Not sure which chair is right for you and your workspace?
Let us help you find **the perfect chair!**

Multi-Tilter

The most ergonomic choice. Seat and back can be adjusted independently. Tilt tension and height adjustment come standard. Typically comes with many more adjustable features.

Page 570-578

Synchro-Tilter

Like the Multi, but with fewer paddle adjusters. Seat and back synchronize at a 2:1 ratio. If the back reclines 30˚, the seat tilts upward 15˚ to reduce thigh stress.

Page 574, 577, 579, 587, 588

Intensive Use/Big&Tall

These chairs are created for heavy-duty use. They are perfect for areas in shift rotation or for extended use. Reinforced for added strength, these chairs are warrantied for users up to 350 lbs.

Page 576

Mesh

These chairs are available with the same ergonomic options as other chairs, but instead of fabric or leather, they have a mesh back, which allows air to circulate.

Page 586-588

Manager/Boardroom

These chairs are ideal for multi-taskers and those who aren't seated for long periods. With height adjustment and tilt tension control, most pivot from the centre of the seat pan for ease of movement.

Page 580-581

Task

Non-tilting chairs ideal for short-duration workstations. Perfect for the home office, warehouse or other areas where the user sits for a short period of time. They typically come with seat and back height adjustment.

Page 589

What to look for in an ergonomic chair

Finding the right chair for your body is important for your **long-term health** and **everyday productivity**

Recline-Ability

Reclining chairs reduce pressure on your spine and posterior and provide freedom of movement.

Features to look for:

- *Back angle adjustment*
- *Tilt-lock control*
- *Infinitely adjustable seat angle*

Back Support

Your lower back should fit comfortably against the chair's lumbar support. Your whole back should move easily, improving circulation and allowing oxygen to flow.

Features to look for:

- *Back height adjustment*
- *Adjustable lumbar support*
- *Neck rest*

Seat Depth

If your seat depth is too long, your body will lose the benefit of lumbar support. Too shallow and your thighs will not be supported.

Features to look for:

- *Seat depth adjustment*
- *Seat angle adjustment*

Adjustable Arms

Your arms should rest comfortably on the armrests and be parallel to the floor to prevent hunched shoulders.

Features to look for:

- *Height adjustable*
- *Width adjustable*
- *Depth adjustable*
- *Articulating arm caps*

Chair Height

Your feet should be flat on the floor and thighs parallel to the ground. The height and angle of the seat help you find the perfect position.

Features to look for:

- *Seat height adjustment*
- *Seat angle adjustment*

TERMS AND CONDITIONS*

At Monk Office, your satisfaction with our products and services is our highest priority.

PRODUCT RETURNS

If you are dissatisfied with a product, we will gladly accept a return of any stocked merchandise item, in original packaging and resalable condition, within 30 days from the date you received it (technology products excluded). At the time of refund or exchange, you will be asked to produce your receipt and verify your name, address, postal code, and phone number with a government issued ID (e.g. driver's license). All refunds will be credited back in the form of payment originally tendered. If a gift card was used, the amount refunded will go back onto a gift card. Defective products will be exchanged in accordance with the manufacturer's warranty.

IMAGING SUPPLIES (TONER, INK, SPECIALTY MEDIA)

Stocked product in original and unopened packaging can be returned within 30 days of delivery for full credit. Defective products will be exchanged in accordance with the manufacturer's warranty.

TECHNOLOGY PRODUCTS

Returnable up to 30 days, in original packaging and resalable condition, from the date of purchase. This includes: computers, laptops, tablets, e-readers, printers, monitors, cellular/wireless devices, camcorders, digital cameras, and home security products.

SPECIAL ORDER PRODUCTS

Special order items can be returned, in original and unopened packaging, within 30 days and are subject to a 25% restocking fee. Custom stationery products are non-returnable. Defective products will be exchanged in accordance with the manufacturer's warranty.

EXCEPTIONS

Tech services are guaranteed for 30 days from date of customer pick-up. Services that have already been performed (e.g. Tech Services) are non-refundable. All electronic software download purchases are final and cannot be returned. Software that is sealed in original packaging can be returned within 30 days from the date of purchase. Due to copyright laws, we will exchange open software, CDs, DVDs, video games, and music only when media is defective and then only title for title. Pre-paid cards, opened packages of consumable products (such as but not limited to ink/toner, batteries, and food) are not returnable. Defective products will be exchanged in accordance with the manufacturer's warranty.
