ACRYLIC MEDIUMS & VARNISHES

HJ Acrylic Mediums

Use for thinning, extending and manipulating any viscosity of acrylic paint. Translucent low viscosity Polymer Medium dries to a flexible film, excellent for glazing and as a top coat. Use Gel Medium for impasto and textural effects, and to extend paint without effecting viscosity. Please specify size when ordering.

OIL PAINT

Winsor & Newton Winton Oil Colours

Winton Oils have been carefully formulated to offer a chromatically broad range of colours, making them the ideal choice for many students and professionals alike. Less expensive hue colours are the mainstay of the line, see full colour line at www.islandblue.com. The colours' strength & lightfastness match that of more expensive, traditional pigments.
